The Opportunity

We are currently looking to hire a Certified Dental Assistant to join our busy and well-established practice. The successful candidate will have a passion for building strong patient relationships and contributing to the ongoing oral health of their community. As a Dental Assistant at our practice, you will have the opportunity to work alongside and learn from a strong team of dental professionals.

Why Should You Join?

- **Competitive compensation & benefits:** Our compensation packages are reviewed annually in a comparative study that ensures alignment with industry standards.
- **Established and stable practice:** Our successful practice is a leader in patient care, providing a range of services to a loyal and established patient base.

- **Health & Safety and Compliance:** The practice has a strong health and safety culture, with compliance measures embedded in every aspect of the workplace.
- **Career development:** A career with us ensures you have the support, tools, and encouragement you need to grow and evolve as a professional on your individual career path, including access to industry-leading continuing education through the award-winning DC Institute (dcinstitute.ca)
- **Respect for our people:** The team is built on a culture of respect and positivity, where we celebrate individuality and value each other's unique strengths and contributions.
- **Work-life flexibility:** Everyone has a life outside the practice, and we are committed to helping each team member find a healthy, sustainable balance between home and career.

Responsibilities:

- Clinical chairside assisting duties including knowledge of instrumentation
- Establish strong patient relationships while maintaining ethical professional behaviour
- Prepare treatment room in accordance with infection control and practice protocols for each patient
- Thorough understanding of practice health and safety requirements

About You:

- Registered and/or certified as a Certified Dental Assistant with the Manitoba Dental Association (M.D.A)
- Certified with The National Dental Examining Board of Canada (N.D.E.B)
- Previous dental assisting experience is preferred
- Strong written and communication skills
- Strong organizational and multi-tasking skills
- Punctual and reliable
