IMPORTANT - IPC Guidelines related to COVID-19 management for healthy patients - March 18, 2020 [CLICK HERE](#)

Manitoba Health Recommendations for PDC: COVID-19- Exposure

- The recommendation is to self-isolate until March 22, 2020.
- Everyone who attended PDC March 6-7, 2020 is advised to self-isolate immediately.
- If anyone who attended the conference develops symptoms, they should call Health Links who will provide further direction, 204-788-8200 or toll-free at 1-888-315-9257 to speak to a health practitioner.
- They should not seek testing without consulting with health Links, and most do not need testing if they are asymptomatic.
- Their offices/patients do not need to be notified unless a dentist was working while symptomatic and becomes a case.

Use the Shared Health COVID-19 Screening Tool for assessment

CDA UPDATE - Prime Minister Justin Trudeau and Finance Minister Bill Morneau made announcements to address the fiscal implications of the COVID-19 outbreak and associated business shutdowns, and to provide support for businesses and workers. - [FULL UPDATE CLICK HERE](#)
