

COVID-19 AND YOUR MALPRACTICE LIABILITY INSURANCE

If **you currently hold** CDAA PROLINK Malpractice Insurance Coverage for 2020-2021:

- CDAA and PROLINK Insurance confirm that Covid-19 has no impact on your malpractice insurance coverage for 2020-2021.
- Your certificate remains valid and no exclusions related to Covid-19 have been implemented.
- Should there be any future changes to your premium or coverage, CDAA and PROLINK will communicate any changes to your policy at least 45 days before the renewal of the Malpractice policy on February 1, 2021.
- As you return to practice, individuals who hold CDAA Malpractice Insurance have access to **free, real-time legal advice** by calling **1-866-945-5207**.

If you currently **do not** hold a CDAA PROLINK Malpractice Insurance Coverage for 2020-2021:

- Not all employers' liability coverage is created equal.
- The only way to ensure you are covered from malpractice litigation is by purchasing your own malpractice insurance policy.
- Contact your provincial dental assisting association and ask how you can apply for CDAA Malpractice Insurance today!
