**e-Alert**

**Manitoba  
Dental  
Association**

---

Dear Member Dentists & Registered Dental Assistants,

The province's response to COVID-19 continues to evolve with the significant reduction and removal of public health orders. It is difficult to ascertain what stage of the pandemic we are currently at. The threat of another wave remains a distinct possibility. The Manitoba Dental Association is committed to protecting both the patients treated in dental offices and the dental teams that provide the care. To achieve this goal, the guidelines contained within the MDA Pathway and Interim IPC Guidance for Patient Care During the COVID-19 Response document will continue to be in effect until April 30, 2022. At that time, the guidelines may be adjusted as the situation and safety needs warrant.

Thank you to our membership for your continued efforts in maintaining safety and providing access to care to Manitobans through this pandemic.

Dr. Thomas S. Colina  
President and Board Chair
