

CDAA deadline for Wage Survey coming soon

The Canadian Dental Assistants Association (CDAA) is in the process of conducting a survey for its 2022 Job Market, Compensation and Benefits Survey.

There are more than 100 RDAs from Manitoba who have started the CDAA survey but have not yet completed it. Thank you.

The Manitoba Dental Assistants Association encourages all the RDAs in province to take time to complete the survey **by this Friday November 18, 2022.**

Thank you to everyone who has taken the time to fill out the survey thus far.

Call to action
