We are currently looking for a Registered Dental Assistant eligible for current licensure to practice in Manitoba to provide services to our busy and well-established practice in East Winnipeg. The successful individual will have a passion for building strong patient and staff relationships and providing high standard of care to our patient base striving for optimal oral health for their community. As a member of our practice, you will work with a dedicated group of dental professionals, with access to a variety of learning opportunities and continuing education to expand scope of practice and be part of a dental team who values a strong work ethic, integrity, open communication and a healthy work environment.

The position is:

- Full time, Monday – Friday, no evening or weekends. Schedule can be flexible for the right applicant.
- Salary will be commensurate with qualifications, work experience and job performance. Benefits may be available after initial trial period.
- Duties will include chairside dental assisting, sterilization, operatory preparation, recall polish, some front-desk reception duties and administrative paperwork, and other duties, as assigned.

About You:

- Graduate from a Canadian-accredited Dental Assistant Program
- Successful completion of certification from the National Dental Assistant Examining Board
- Licensed and in good standing with current or most recent respective regulatory authority,
- Valid CPR certification.
- New graduates welcome to apply!
